Loss incurred by twelve banks

454. SHRI INDER KUMAR GUJRAL: Will the Minister of Finance be pleased to state:

(a) whether Government's attention has been drawn to a write-up in the 'Economic Times' dated 23rd September, 1993 regarding twelve banks likely to post losses again; and

(b) if so, what are the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE AND MINISTER OF STATE IN THE MINISTRY OF PARLIAMENTARY AFFAIRS (DR. ABRAR AHMED): (a) Yes, Sir.

(b) Reserve Bank of India (RBI) had introduced prudential norms on income recognition, asset classification and provisioning from the accounting year beginning 1st April, 1992. RBI had also permitted banks to phase out the provisions over 1992-93 and 1993-94. It is not necessary that carry forward provisions in 1993-94 would result in losses being declared by banks. However, a clear picture will emerge only after the finalisation of the accounts by the banks.

(a) what part of Exchequer is spent on salary, T.A., D.A. and other allowances of the employees of Government of India; and
